## ASMS Central Studies Curriculum (Years 10 and 11) at a glance

At the ASMS, we have a 2-year program of interdisciplinary studies with students in vertically grouped Year 10 and 11 classes.

In 2023 Year 10 and 11 students will study the following Central Studies:

### Semester 1

Learning Studies  
The Energy Equation  
Communication Systems  
Body In Question

### Semester 2

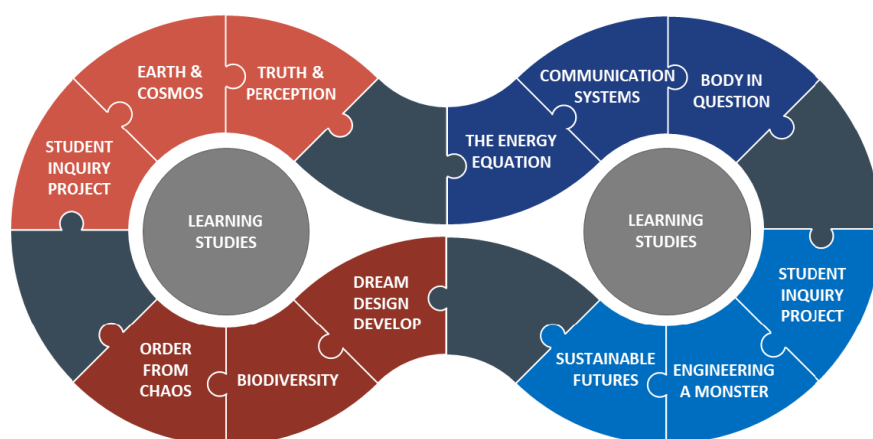

Learning Studies  
Engineering a Monster  
Sustainable Futures  
Student Inquiry Project/Research Project

Through our interdisciplinary curriculum our students will be accredited either via the Australian Curriculum framework for Year 10 or Stage 1 of the SACE under the following subjects:

- Scientific Studies
- Essential Mathematics
- English
- Health
- Research Practices / Research Project (at Stage 2)
- Personal Learning Plan
- Integrated Learning

Further information regarding the structure and learning program for these Central Studies will be available in the Portal at the start of 2023.

If you need further clarification about the ASMS curriculum and its accreditation, please contact the Principal or Deputy Principal.
