AUSTRALIAN  
SCIENCE &  
MATHEMATICS  
SCHOOL

Yr 10 + 11 + 12

Dear Parent/Caregiver

The Governing Council of the Australian Science and Mathematics School (ASMS) is an important body representing the school community.

The Governing Council comprises 15 members including 8 parent representatives who work collaboratively with the principal in a number of key areas. These include:

- Setting the broad direction and vision of the school
- Strategic planning for the school
- Determining policies related to safety and welfare of students
- Setting and monitoring the budget for the school.

A school cannot operate without a fully functioning Governing Council and I invite you to consider becoming involved in the 2024 Governing Council.

A commitment to the Governing Council requires your involvement in 2 meetings per term for approximately 2 hours duration. Meetings are held during the evening (usually Monday of Weeks 4 and 8 each term) and if it suits the Council one of these will be online each term.

The Annual General Meeting, at which parent representatives will be elected, will be held on Monday 19 February, this will be followed by the first meeting of the new council.

If you are able to commit to the regular meeting schedule and wish to nominate yourself for the 2024 Governing Council, please complete the form on the next page of this letter and return it to the school by 2 February 2024.

Yours sincerely

A handwritten signature in black ink, appearing to read 'Ron van Buuren'.

Ron van Buuren

Chairperson, Governing Council
