Dear Parent/Caregiver

The Governing Council of the ASMS is an important body representing the school community.

The Governing Council comprises 16 members including 8 parent representatives who work collaboratively with the principal in a number of key areas. These include:

- Setting the broad direction and vision of the school
- Strategic planning for the school
- Determining policies related to safety and welfare of students
- Setting and monitoring the budget for the school.

A school cannot operate without a fully functioning Governing Council and I invite you to consider becoming involved in the 2023 Governing Council.

A commitment to the Governing Council requires your involvement in 2 meeting per term for approximately 2 hours duration. Meetings are held during the evening (usually Monday of Weeks 4 and 8 each term).

The Annual General Meeting, at which parent representatives will be elected, will be held on Monday 20 February, this will be followed by the first meeting of the new council.

If you are able to commit to the regular meeting schedule and wish to nominate yourself for the 2023 Governing Council, please complete the form at the bottom of this letter and return it to the school by 10 February 2023.

Yours sincerely
