

# Week 2 – Term Four 2023

Welcome back to all our amazing ASMS students & staff.

## NEW BOOKS & NEW RELEASES

We have a lot of new titles available NOW in the ASMS Library Collection. Many fiction and non-fiction titles just waiting to be borrowed, so come to Level 3 Sturt Library and have a browse.

## END OF YEAR LIBRARY HOUSEKEEPING FOR YEAR 12'S

As the end of your time with ASMS

is fast approaching, please remember to return all Library items.

We do understand that you may need some of the resources for your exam preparation, however, if there are any items that you no longer require make sure you return them as soon as possible.

As a part of your leaving ASMS you are required to have your Leaver's Statement signed off, for this to be completed you must have no outstanding items in your name.

Regrettably, if any Library items are lost there will be an invoice issued for the replacement cost of books. So please return your books!

Feel free to come in and chat with myself or Vanessa & we wish you all the best of luck with your exams & studying.
