

Library News

Week 2 - Term One

Welcome Back to 2024 & to another Brilliant YEAR!!

It has been fantastic to see our students coming in, familiarising themselves with the Australian **Science & Mathematics** School Library and borrowing their textbooks.

Our Library is well-resourced with a diverse range of topics and gives our community, the opportunity to read, learn and inspire to appreciate who we are, where we can go and how we can improve.

Being onsite with Flinders University is a unique opportunity for our students to access resources from the other campuses to assist with their research and study.

Vanessa Fay (Teacher) & Sam Georgoudis (SSO)

Library Collection

The **ASMS Library Collection** is located
within the Sturt Library on
Level 2.

The **ASMS Library Office** is located on Level 3
of the Sturt Library.

There is an amazing selection of resources,
so come in and check them out !
