Find lots of helpful information on the Australian Science and Mathematics School Library Resource Page to help you get started with your research and study in 2024.

Keep up to date with what's new & on display in the library and available for borrowing at ASMS.

## Research Guides

What are they and how will they help?

Research guides will help with building an understanding around a subject and a starting point to begin your research.

Research Guides

The guides are created based on a subject topic with links on how to access the Library Catalogue which includes various databases, journals, and articles.

## TEN AMAZING BENEFITS OF READING BOOKS

- Strengthens your writing skills
- Improves your memory and focus
- Enhances your imagination
- Increases your vocabulary
- Expands your knowledge
- Stimulates your brain
- Boosts your mood
- Deepens empathy
- Helps you relax
- Lowers stress

We encourage all students to read for at least 20 minutes a day to keep their creative and critical skills going.

The power of reading improves writing, comprehension, and vocabulary skills.

The variety of different texts we read encourages our imagination and enables us to ask questions to be critical thinkers and stimulate our brain.

Find 20 minutes a day, to read & enjoy the benefits!

New book series recently added to our collection.

These titles & more will be available for borrowing on **4<sup>th</sup> March**.
